LaTonya,

Just hitting the desk. Saw a note from you ref. IB in the hot issues folder. We have only limited updates but Karl should have the latest public information. I meet with him at 1:00 and will see if he wants any additional details.

Please send me whatever files you have going forward to him.

Yes, I have Karl's folder with updates on West Lake landfill and SC2.

As instructed by Julie, I will have his folder to him by noon today.

Curtis, Karl has asked if a list of hot topics have been created for his visits with Congressionals' next week. He would like to have the list for his travel binder before he leaves today.

Thank you

Dana Peters
